CAPO 1

A **Amaj7** **D** **E**
Nickels and dimes, memories and wines - she s on his mind once again.
A **Amaj7** **D** **E**
The same old stool, the same old fool; played by the rules, but didn t win.
Bm **E**
There s an old love in his heart that he can t lose.
Bm **E**
He tried forgettin , but he knows that it s no use.

[Chorus:]

A **Amaj7** **D**
He s got a fool hearted memory.
Bm **E**
It won t let him see that she walked out the door.
A **Amaj7** **D**
He s got a fool hearted memory,
Dm **Bm** **E** **A**
And he sits patiently here every night so it can fool him more.

A **Amaj7** **D** **E**
She was his girl, his only whirl, that string of pearls that slipped away.

A thousand dimes, a thousand times - he doesn t mind what they say.

He fills the jukebox, and plays the same old song.
Bm **E**
He fills his glass, and then he turns her memory on.

He s got a fool hearted memory.

It won t let him see that she walked out the door.
