Here For A Good Time
George Strait

Capo on 4

[Intro]

D   (8x)

[Verse]
D
i am not going to lay around and whine and moan
                              A
cause somebody done done me wrong

                                                      A
And donâ€™t think for a minute that i am gonna seat around and sing some old
sad song
G   **A**
i believe itâ€™s half full not a half empty glass
G   **A**
every day i wake up knowing it could be my last

[Chorus]
(NC)   **G**
i am not here for a long time
A   **D**
i am here for a good time
                     G   **A**
so bring me some sunshine to hell the red wine
              D
pour me some moon shine
G   **A**   **D**   **Bm**
when i am gone put it in stone he left nothin be-hind
                              G
i am not here for a long time
A   **D**
i am here for a good time

folks are always dreaming about what they like to do

[Verse]
                       A
but i like to do just what i like

i take the chance dance the dance
                                      D
it might be wrong but then again it might be right

```
G                                A
there is no way of knowing what tomorrow brings
G                                            A
life is too short to waste it i say bring on anything

[Chorus]
(NC)                      G
i am not here for a long time
A                 D
i am here for a good time
                     G                          A
so bring me some sunshine to hell with the red wine
            D
pour me some moon shine
G                 A              D              Bm
when i am gone put it in stone he left nothin  be-hind
                     G              A
i am not here for a long time
                     D
i am here for a good time
                     G              A
i am not here for a long time
                      D
i am here for a good time

[Outro]  D  (until fade)
```
