

House Of Cash
George Strait

Extremely simple song to play, and if you re a George Strait/Johnny Cash fan it s a must have!!!

(D)
Well the House of Cash just burned down
(G)
All the way to the cold hard ground
(D)
The doctors came from all over town
(D) (A) (D)
To see the memories scattered all around
(D)
Then the stars came out by the light of day
(G)
And they heard their old friend passed away
(D)
That yard looked like a funeral hall
(A) (D)
Without the pies and casseroles

[Chorus]
(G)
Well, it s goodbye Johnny, goodbye June
(D)
Goodbye fancy living room
(G)
Well no one sleeps in Cash s bed
(G)
Except the man in black and the woman he wed
(D)
And the ring of fire comes full circle
(D)
And the ring of fire comes all the way around

[Verse 2]
(D)
And if those ashes in the pool could talk
(G)
To the anchor man out on the walk
(D)
I d bet they d be happy to announce
(A) (D)
There ll be no yard sale now

[Chorus]

(G)

Well, it s goodbye Johnny, goodbye June

(D)

Goodbye fancy living room

(G)

Well no one sleeps in Cash s bed

(G)

Except the man in black and the woman he wed

(D)

And the ring of fire comes full circle

(D)

And the ring of fire comes all the way around

(D)

And the ring of fire comes full circle

(D)

And the ring of fire comes all the way around
