[Verse 2]

So, we (D)let the wheels turn and the windows down, we (G)let ourselves go all  
the way  
through town  
She (Bm)never said stop and I never asked her (A)why  
We drove (D)into the night, when outta nowhere, she said, I d (G)give anything  
to never  
go back there  
And I (Bm)kinda wish this (A)day would never end (G) (A)  
She said, (Bm)I could use a change but (A)I don t even (G)know where to be-(A)  
)gin

[Chorus]

And I said, well (D)I got a car, she said, there s something at (G)least it s a  
start, I  
said, it s better than nothing  
I (Bm)ain t in no hurry but I m ready when you (A)are  
And she said, (D)where do you think all this is goin , (G)I said, there ain t no  
way of knowin  
I (Bm)really hadn t (A)thought it through that (G)far (A)

When the (Bm)doctor s said, you (A)know what s on the way? (G)

And we found ourselves in a little white house, one (D) Sunday morning, rain  
pourin down

She (Bm)said, I think it s (A)time but (G)all the lines are out (A)

And her (Bm)eyes teared up and (A)she said, what are (G)we gonna do (A)now?

[Chorus]

And I said, well (D)I got a car, she said, there s something, you (G)think it ll
