INTRO: **C# Fm F# F#** x 2

(**C#**) Ev ryday s a lifetime with(**Fm**)out you
Hard to get (**F#**) through, since you ve gone
So I (**C#**) do the only thing that I know (**Fm**) how to
To get (**F#**) by, (**G#**) I m livin for the (**C#**) night (**Fm**) (**F#**)

(**C#**) I ve drawn all the curtains in this (**Fm**) old house
To keep (**F#**) the sun out, and off a my face (**G#**) (**C#**)
(**C#**) Friends stop by to check-in cause I (**Fm**) checked out
I tell em I m (**F#**) fine, (**G#**) I m just livin for the (**C#**) night

Well (**F#**) I can t hide the tears I cry,
The pain that came with your goodbye
The (**Bbm**) mem ries that keep me out of (**G#**) sight
(**F#**) An every night I venture out,
Into those neon arms that hold (**G#**) me tight
I m livin for the (**F#**) night

SOLO: (**F#**) (**Bbm**) (**G#**) (**F#**) (**G#**)

(**C#**) I m a whole lot easier to (**Fm**) talk to
When I ve (**F#**) had a few, and settled down (**G#**)
(**C#**) Whiskey kills the man you ve turned me (**Fm**) into
And I come (**F#**) alive, (**G#**) I m livin for the (**C#**) night

Well (**F#**) I can t hide the tears I cry,
The pain that came with your goodbye
The (**Bbm**) mem ries that keep me out of (**G#**) sight
(**F#**) An every night I venture out,
Into those neon arms that hold (**G#**) me tight
I m livin for the (**C#**) night (**G#**)
I m livin for the (**C#**) night (**G#**) (STOP)

(QUIETLY)
