

**Oh What A Perfect Day**  
**George Strait**

another good old smooth country love song by George... I played along with the CD and it is correct. Im surprised this wasnt a super huge hit for him cuz its classic country for sure. Enjoy!

Artist: George Strait  
Song Title: Oh What A Perfect Day

Capo 2:

**D** **D/C#**  
I woke up this mornin ,  
**D/B** **D/A**  
Peaked out my door:  
**G** **A**  
It was rainin , cold an grey.  
**D** **D/C#** **D/B** **D/A**  
It s my one day off: I was gonna play golf.  
**G** **A**  
There goes the plans that I made.  
**G** **A**  
Oh, but you won t hear me complain.

**G** **D**  
An oh, what a perfect day for lovin you.  
**E**  
When you re in my arms, I ve got sunshine,  
**G** **A**  
An the sky s always blue.  
**G**  
Couldn t ask for better weather,  
**D** **Em** **D/F#** **G**  
To do what I do:  
**D** **G** **D/F#** **A** **D**  
Oh, what a perfect day for lovin you.

**D** **D/C#**  
So let s go grab a blanket,  
**D/B** **D/A**  
An a hot cup of coffee,  
**G** **A**  
And sit out on the front porch and swing.  
**D** **D/C#** **D/B** **D/A**  
That look in your eyes is what s on my mind:

**G** **A**  
We don't have to say anything.

**G** **A**  
Let's just listen to that old tin roof sing.

**G** **D**  
Ah, oh, what a perfect day for lovin' you.

**E**  
When you're in my arms, I've got sunshine,

**G** **A**  
And the sky's always blue.

**G**  
Couldn't ask for better weather,

**D** **Em** **D/F#** **G**  
To do what I do:

**D** **G** **D/F#** **A** **Bm**  
Oh, what a perfect day for lovin' you.

**D** **G** **D/F#** **A** **D**  
Oh, what a perfect day for lovin' you.

**G** **D/F#** **A** **D**  
For lovin' you.
