

The Man In Love With You
George Strait

This is my first tab and I know it s off...but it s close. Please submit corrections if like to.

Intro **Em G D C Am C G**

Verse

C G D C
I m not the hero who will always save the day
C G D Am
Won t always wear the white hat, won t always know the way
Am C D C
I may not even be the dream you wanted to come true
C D G
But I ll always be the man in love with you

C G D C
I m not the key that opens every door
C G D Bm
Don t have the power to give you all you want and more
Am C D C
But when your needed somethin special you can hold on to
G Am G C
I ll always be the man in love you

Chorus

Em D
I never could work miracles
G C Am
There may be others who could do what I can t do
G C
But no one else could be as good as me
Am D
At lovin you

Verse

C G D C
So when the world won t turn the way you wish it would
C G D Em
And the dreams you have don t come alive as often as they should
Am C D C
Remember that there s someone there who s heart is always true
C Em C
I ll always be the man in love with you

Key Change The steel guitar slides it up a half step.

Solo **G# D# C# G# C# G#**

F

Bb **G#** **Bb** **C#**

Remember that there s someone there who s heart is always true

Bb **D#** **Bb** **D#**

Someone there to help you make it through
