

What Do You Say To That  
George Strait

Intro: E A B 2x

Verse 1.

E                    A            B  
You re like the warm sunshine,  
E                    A            B  
I think of you all the time,  
E                    A            G#7            C#M  
I ve fallen for you and that s a fact,  
A                    B            E  
What do you say to that?

Verse 2.

E                    A            B  
You re always in my dreams  
E                    A            B  
I think you know what they mean  
E                    A            G#7            C#M  
My heart knows this is real at last  
A                    B            E  
What do you say to that?

Chorus:

E            C#m7    A                    B  
Life could never be the same without you  
E            C#m7    A                    B  
Love was never really love without you  
E            C#m7    A                    B  
Here beside you is really where it s at  
A                    B            E  
What do you say to that

Verse 3.

E                    A            B  
I promise I ll never leave  
E                    A            B  
I ll always want you with me  
E                    A            G#7            C#M  
Loving you won t ever be old hat  
A                    B            E  
What do you say to that  
(Repeat Chorus)

A                    B  
What do you say  
E                    A            B  
You re like the warm sunshine

**E**                    **A**                    **B**  
I think of you all the time  
**E**                    **A**                    **G#7**                    **C#M**  
I ve fallen for you and that s a fact  
**A**                    **B**                    **E**  
What do you say to that  
**E**                    **A**                    **G#7**                    **C#M**  
My heart knows this is real at last  
**A**                    **B**                    **E**  
What do you say to that
