

You'll Be There
George Strait

You'll be there

CAPO 2

Intro: **C#-C#/F#-F#-G#** 2x

Verse 1:

C# **C#/F#**
Well hope is an anchor, and love is a ship
F# **G#**
Time is the ocean, and life is a trip
C# **C#/F#**
You don't know where you're going till you know where you're at
F# **G#**
And if you can't read the stars, well you better have a map
Bbm **G#**
A compass and a conscience so you don't get lost at sea
F#
Or on some old lonely island where no one wants to be

Repeat Intro:

Verse 2:

C# **C#/F#**
From the beginning of creation I think our maker had a plan
F# **G#**
For us to leave these shores and sail beyond the sand
C# **C#/F#**
And let the good light guide us through the waves and the wind
F# **G#**
To the beaches in a world where we have never been
Bbm **G#**
And we'll climb up on the mountain, y'all, we'll let our voices ring
F#
And those who never tried it, they'll be the first to sing

Repeat Intro

Verse 3:

Well you don t bring nothin with you here and you can t take nothin back

I ain t never seen a hearse with a luggage rack

So I ve torn my knees up prayin , scarred my back from fallin down

Spent so much time flyin high till I m face first in the ground

So if you re up there watchin me, would you talk to God and say

Tell Him I might need a hand to see you both some day...

Chorus 2 :

Oh my, my

So I ll see you on the other side, if I make it

And it might be a long hard ride ,but I wanna take it

Sometimes it seems that I don t have a prayer,

Let the weather take me anywhere,

But I know that I wanna go where the streets are gold, cause you ll be there

Oh my, my

Cause you ll be there

Oh my, my
