

Jaded
George

VERSE 1

Bm Scrounging through the shit to find a place to call home **A**
D To settle in, set up shop, pull out your wares and play **Em**
Bm To sing a song to you, for you and for me **A**
D I need to remember what I gain and why I m here **Em**
Bm The sign says gents but I donâ€™t see none here **A**
D The sign says ladies but I m a lady feeling â€™lone **Em**
Bm All I need to survive is feeling threatened **A** **D** **Em**

CHORUS

G I donâ€™t want you to make me jaded **D**
Bb I donâ€™t want to give you the power to make me old **A**

VERSE 2

Bm I do it because I wanna have my say, give it up for you **A**
D But you choose to throw it back at my face with your distortions. **Em**
Bm I feel sorry for you, but you feel sorry for me **A**
D Seeing that power sometimes lies in the hands of the weakest, the lowest kind **Em**
Bm The power to make me scream when I only want to **A** **D**
Em Whisper

Bm The power to make me punch when I only want to caress **A** **D**
Em You

CHORUS

G **D**

I don't want you to make me jaded

Bb

I don't want to give you the power to make me raise my

A

Voice

G

D

I don't want you to make me jaded

Bb

A

I don't want to give you the pleasure of seeing me cry

BRIDGE

D

A

I just want to find a beautiful face

G

F#

And remember why I am standing here

D

A

I just want to be at that beautiful place

G

F#

And remember why we're standing here.

Heeeeey "no, no.

Bm A D Em

VERSE 3

Bm

A

I speak what I feel and then it's judged by you

D

But when I judge you, you get pissed off

Em

I'm no different to you

Bm

A

I do have the time to listen, I have the time to care

D

Em

When I've had my say I'm happy to listen to yours

Bm

A

D

Em

Just grant me the time to let you have your money's worth

Bm

A

D

Em

I'm so jumpy, I'm on edge, I'm ready to bite at your chance

CHORUS

G

D

I don't want you to make me jaded

Bb

I don't want to give you the pleasure of stripping my

A

colours to your grey

G

D

I don't want you to make me jaded

Bb

I don't want to give you the power to make me hard and

A

Cold

BRIDGE

D

A

I just want to find that beautiful face

G

F#

And remember why I am standing here

D

A

I just want to be at that beautiful place

G

F#

And remember why we're standing here.

G

F#

Bm

And remember why we're standing here.
