Tab by Jason Molle

Searched for ages for chords or tab to this song with no luck, so decided to have a go at it myself.
My first attempt at tabbing, hope you enjoy!

[Verse]

G#m
I can't help waiting deliberating

Depths of age pale away

G#m F#m
And I am trying to rediscover
E G#m
The wide-eyed beauty of the first glance

[Pre Chorus]

E
And you can take what's mine
C#m
Add to the weight of time
Am A G#m
With cold eyes and a furrowed brow
E
And you can take what's mine
C#m
Turn back the hands of time
Am A G#m
But for young, time is the sun

[Chorus]

G#m

From where does fear spawn

Fm

From the older ingrained scorn

E

G#m

Does it mean that my mind won't cry

G#m

Fm

And I can't believe that you're happy to bleed

E

From your cold eyes

[Verse]

G#m

Each year I peel back my skin

F#m

And fleshy pink appears

E

Yet a harder layer grows

G#m

To protect my uncertainty

G#m

Young grow fear to love

F#m

Resist my resistance

E

G#m

Reluctance to return a smile

[Pre Chorus]

E

And you can take what's mine

C#m

Add to the weight of time
