La la la la ai ai ai ai la la la

Stolen moments

Time has broken

My eyes are open

To this life-long mystery

And so I ll go

Whit what I know

Take my chances

And run with destiny

Now there s fire in my eyes

I brake away and say goodbye

I m free to be I ll letting go

I ll find my way so

Que sueño, dulce y pequeño

Yo no sé yo no sé, pero no es un cuento, mi corazón con tormento

Chico Latino te quiero y simplemente deseo

Yo lo sé el camino

es un sueño latino
