gerry rafferty from cd ---- all souls

ITS BETTER THIS WAY

D-A-F#m-D-E-D la la la la la

A **F#m** **D** **E** **B7**
shes so far away yeah shes in america
A **F#m** **D** **E**
and the water is wide but i love you my love
A **B7** **D** **E** **B7**
its been so long now since we held one another
D **E** **A**
yuore stll a part of my drams youre so far away
E **A** **D** **E**
remember each day its better this way

lets live the now forget about historie

now you know we cant live in the past

this is reality

got no control over the things that happen

and all the hurt that love can bring

youre so far away remember each day

its better this way

D **Dm** **A** **B**
i remember all this times we went sailing on the moon
 bm7 **d** **e--**
and love came down to see us ewerywhere
E **E7**
yes ewerywhere

now it all seems so wrong that we have to be apart

but tomorrow weel walk in the sun and ill love you my love

together we can write a different storie

that never comes to an end

youre so far away remember each day

its better this way
