

Night Owl

Gerry Rafferty

Night Owl by Gerry Rafferty

This is the original key, B

Intro F#9839; strumming playing E F and then F#9839; on the 6th (lower) string

F# **B** **F#**
Night time comes and finds you alone

E
In a space and time of your own

G#m **D#m E**
Lost in dreams in a world full of shadows

E **B** **F#**
Down the street the neon light shines

E
Offering refuge and hope to the blind

G#m **D#m E**
You stumble in with no thought of tomorrow

Chorus

B **F#** **E**
Yes I get a little lonely when the sun gets low

B **F#** **E**
And I end up looking for somewhere to go

B **F#** **E**
Yes I should know better but I can't say no

E **F#**
Oh no no no no nono no

B **F#**
The lights are low and the music is loud

E
You watch yourself as you play to the crowd

G#m **D#m E**
One more face in a palace of mirrors

B **F#**
One more drink your sailing away

E
One more dream but it's looking okay

G#m **D#m E**
One more time to watch the flow of the river

Yes I get a little lonely when the sun gets low

And I end up looking for somewhere to go

Yes I should know better but I can't say no

Oh no no no no no no no no no

Instr.

Yes I get a little lonely when the sun gets low
And I end up looking for somewhere to go
Yes I should know better but I can't say no
Oh no no Oh no no no No no no no no no no no no

B

F#

You've seen it all yeah you've seen it before

E

Like a fool you always come back for more
