**Am**

I can see a bright light up the hill there

**G**

Way beyond my wishful reach

**C/G**

**Fmaj7**

And I know my cousin lives there

**D7sus2**

**G**

And he looks a lot like me

**Am**

For years as I watch him closely, he watches back

**G**

And neither can tell what's on the other's mind

**C/G**

**Fmaj7**

Is he about to come and get me

**D7sus2**

**G**

And stab a knife into my back

**C/G**

**G**

And it's getting darker now

**G/F#**

**F**

And the light is dimming out

**Am**

**F**

But the wind whispers love

**Am**

**G**

Yeah the wind whispers love

**Am**

**F**

But the wind whispers love

**G**

**C/G**

Yeah the wind whispers love

**C/G      Gsus4/B      Am**

**Am**

Mama see the swirly mountains sigh there

**G**

How in my dreams I climbed them high

**C/G**

**Fmaj7**

To the land of milk and honey

**D7sus2**

**G**

That the people have turned to mud

**Am**

I know a creek that runs from way up there

**G**

Wish it could tell me the sights and sounds it saw

**C/G**

**F**

Because for water there are no borders

**D7sus2**

**G**

Or so I thought before I dried

**C/G**

**G**

And it s getting darker now

**G/F#**

**F**

And the light is dimming out

**Am**

**F**

But the wind whispers love

**Am**

**G**

Yeah the wind whispers love

**Am**

**F**

But the wind whispers love

**G**

**Am**

Yeah the wind whispers love

**Am      Asus2      Am**

**Em**

**Fmaj7**

When all is worn out and gone

**Em**

I ll think about a song

**F**

That echoes through fire and light

**C**

**Dm**

Above the changing sky

**G**

A lullaby

**G/F#**

**Em**

Bringing a new dawn to us all

**Fmaj7**

We ll raise a cup to life

**Em**

But now we re all so tired

**F**

And at the far end of the road

**C Dm**

We wish to sing our sons

**G**

**A** lullaby

**C/G G**

And it s getting darker now

**G/F# F**

And the light is dimming out

**Am F**

But the wind whispers love
