Take It Easy - Ghinzu

###

My very first tab, couldn't find the chords for that nice song, so i decided to give it a try ;)

###

Chords used: C - G - Am - E7 - Dm - E

Intro: C ...

C G Am
Steady sister, little sister, little sister won't you try
Am E7 Dm
To turn me into someone different when you're standing by my side
Dm G E
I know the road is long, guess you took me for a ride, little sister don't
Am
you try.

C G Am
Cause I see your eyes are crying molten mascara tears
Am E7 Dm
As you keep waiting for something, well it's something i should tell you
Dm G
How much i love you
G E
You can't hear a damn
C
Your fucking radio's too loud

[Chorus 1]

C
Take it easy
G
You're going to love me
Am E7
No need to change me cause nothing's gonna save me
Dm G
You can always try to get me
C G
I give you one, you give me more
Am E7
I give you something that you have always wanted
Dm G C

Take it easy, and let it go

C **G** **Am**
Steady sister, little sister, little sister won t you please
Am **E7** **Dm**
Get your stilettos off my throat so maybe baby i can breathe
Dm **G**
I forgot your name, I forgot the safety world
E **Am**
Little sister it s absurd

[Chorus 2]

C
Take it easy
G
You re going love me
Am **E7**
No need to change me cause nothing s gonna save me
Dm **G**
You can always try to get me
C **G**
I give you one, you give me more
Am **E7**
You give me something that you have always wanted
Dm **G** **C**
Take it easy, and let it go

C **G** **Am** **E7**
Chase through everything we ve done
Dm **G** **C**
Stay, darling come to me
[[**C** **G**
I give you one, you give me more
Am **E7**
You give me something that I have always wanted
Dm **G** **C**
Take it easy, won t you please me]]
C **G** **Am** **E7**
All the way let s run
Dm **G** **C**
For all, all that has to come

[Chorus 3]

C
Take it easy
G
You re gonna leave me
Am **E7**
Take it easy cause nothing s gonna break me

Dm **G**
Baby love me, like i love you
C **G**
I give you one, you give me more
Am **E7**
Come baby, come, and give me some more
Dm **G** **C**
Take it easy, and let it go
