

New Moon Rising
Ghost Mice

it was a toughie to figure out cause the guitar s low in the mix (chorus may be iffy) any suggestions?

Eb Cm Bb
when something s broke we don t throw it away
Eb Cm Bb
we try to fix it up again
Eb Cm Bb
duct tape and super glue
Eb Cm Bb
can make something, as good as new again.

Prechorus

Eb Cm Bb Eb Cm Bb
don t bury me until I m dead, don t give up until the end
Eb Cm Bb Eb Cm Bb
it might be a dark dark night, but the sun it just might rise again

Chorus

Eb Cm Bb
and it s never too late to do something new
Eb Cm Bb
and it s never too late to do something new
G# Bb Cm G#
if you don t give up on life, then it won t give up on you
G# Bb Eb
it s never too late to do something new

Verse 2 (same chords)

you re not too old, you re not too young
you re not dead yet so don t give up
we can build ourselves the world we want
we can make a world we love

prechorus(same as above)

tonight might be a dead moon night, but that just makes the stars more bright
we still got hope we still got fight and a new moon s gonna rise

Chorus (same chords)

it s never too late to do something new
it s never too late to do something new
if you don t give up on life
then it won t give up on you
it s never too late to do something new
