

Good Night Sweet Girl
Ghost of the Robot

Ghost of the Robot - Good Night Sweet Girl
From: Mad Brilliant (2002)

Intro: **Bm Bm/A Bm/G Bm/F#**

Bm Bm/A
Are we done for now,
Bm/G
Or is this for good,
Bm/F#
Will there be something in time
Bm
With us there should

Bm Bm/A
Only girl for me is you
Bm/G
There can be no other one
Bm/F#
If I didn t have faith
Bm
I would come undone

Bm Bm/A
So much promise in your eyes
Bm/G
Seems that I can only see
Bm/F#
It always makes me wonder
Bm
If you save it all for me

Bm Bm/A
Maybe you do
Bm/G
Maybe you don t
Bm/F#
Maybe you should
Bm
Probably wont...

B5
Because there will be...

B5 A5 G5 F#5 x2

B5 A5
There will be other guys
G5
Who will whisper in your ear
F#5
Say they ll take away your sadness
B5
And your fears

B5 A5
They may be kind and true
G5
They may be good for you
F#5
But they ll never care for you
B5
More than I do

B5 G5
I ll be always there
D5
There to the end

I can t do much

But be your one true friend
B5
To the end
D
Through the end

Our lives to spend

With each other till the end

Of time...

B5 A5 G5 F#5 x3

Bm Bm/A
Still see the promise in your eyes
Bm/G
And still wonder if it s for me
Bm/F#
But I know it s still there

Even when you sleep
D

So I say, good night.... sweet girl
