

Its Nothing
Ghost of the Robot

My favorite song!!

It s Nothing - Ghost of the Robot

Album: Itâ€™s nothing EP

Intro: **A** â€" **F#m** â€" **C#m** - **E**

A

Come on quickly catch me

F#m **C#m** **E**

You really are the best thing that has happened to me since 1983

A **F#m**

You buy into the views of the Hollywood few

C#m **E**

Let s kick our feet up, watch the world fall.

Chorus:

D

You say its nothing uninvited something nothing ever stays forever

A **E**

When you gonna give me a call

D **Bm**

Because you dont know what to do, you follow men in suits

A **E**

Who tell you everything is all cool.

A â€" **F#m** â€" **C#m** - **E**

A **F#m**

Dont act dumb, I know where you re coming from

C#m **E**

From the magazines oh you demographic teen

A

Their statistics are your sickness

F#m

Oh, I need a witness

C#m **E**

Why can t anybody else, see?

Chorus:

D

You say its nothing uninvited something nothing ever stays forever

A **E**

When you gonna give me a call

D Bm

Because you dont know what to do, you follow men in suits

A E

Who tell you everything is all cool.

C#m F#

I want more than this

Bm

Something without tricks

E

Something of my own

C#m F#

I want you to see

Bm

Something more than dreams

E

C#m

That ends with being asleep, by the TV screen

F#

Sure, they flash and gleam

Bm

Make nothing what it seems

D

Is this really what we,

F

wanted,

A

after all?
