Tomorrow
Gianluca Bezzina

This was the Eurovison entry from Malta in 2013, which is how I came to hear
it...
Enjoy! Sorry if the formatting s gone a little weird, but the chords should all
be
on the right lines, at least :)

Tomorrow - Gianluca Bezzina

Capo: Second fret but it sounds alright without

(Intro)
```
F#              F#dim
Whoah oh, oh oh
B            C#
Whoah oh, oh oh
```

(Verse)

```
F#                                 F#dim
His name is Jeremy, working in IT
             B                 F#
Never questions why he has always been
                 F#dim
An extra careful guy, sensitive and shy
                   B                              F#
Risk assessment is his investment in a life of no surprise
                         G#m        B      C#
Till she walked into his life
```

```
F#                                       F#dim
She's spontaneous indeed, uncertainty's her creed
             B                     F#
She has always been neither black or white
             F#dim
Just a curious delight
                     B                              F#
She threw affection in his direction, a collection of her smiles
             G#m           B      C#
And to his surprise, whoah oh
```

(Chorus)
```
          B              C#      F#        F/G       Ebm
She's like tomorrow, oh so distant, she just wants to play
     B              C#      F#   F/G   Ebm
Like tomorrow she is always one day away
B              C#                F#            F/G    Ebm
```

All the time she slips away itâ€™s close but yet so far
    B   **C#**   **F#**   **C#**
Itâ€™s time to follow her tomorrow, whoah oh
B   **C#**   **F#**   **C#**
Time to follow her tomorrow, whoah oh

F#   **F#dim**

He fell for her too fast, we all thought it wouldnâ€™t last
                    B   **F#**
â€˜Cause good olâ€™ Jeremy likes his rigorous routine
                G#m   **B**
â€˜Cause he only thinks today but tomorrow is her way
          C#   **F#**
To find a new direction and youâ€™ll be okay

       B   **C#**   **F#**   **F/G**   **Ebm**
Sheâ€™s like tomorrow, oh so distant, she just wants to play
    B   **C#**   **F#** **F/G Ebm**
Like tomorrow she is always one day away
B   **C#**   **F#**   **F/G**   **Ebm**
All the time she slips away itâ€™s close but yet so far
    B   **C#**   **F#**   **C#**
Itâ€™s time to follow her tomorrow, whoah oh

B   **C#**   **F#**   **C#**
Time to follow her tomorrow, whoah oh
B   **C#**   **F#**   **C#**
Time to follow her tomorrow, whoah oh
B   **C#**   **F#**   **C#**
Time to follow her tomorrow, whoah oh

       B   **C#**   **F#**   **F/G**   **Ebm**
Sheâ€™s like tomorrow, oh so distant, she just wants to play
    B   **C#**   **F#** **F/G Ebm**
Like tomorrow she is always one day away
F#   **F/G Ebm**
One day away
F#   **F/G Ebm**
One day away

B   **C#**   **F#**   **F/G**   **Ebm**
All the time she slips away itâ€™s close but yet so far
    B   **C#**   **F#**   **C#**
Itâ€™s time to follow her tomorrow, whoah oh
    B   **C#**   **F#**   **C#**
Itâ€™s time to follow her tomorrow, whoah oh
    B   **C#**   **F#**   **C#**
Itâ€™s time to follow her tomorrow, whoah oh (Fade & repeat to end on G)
