

Wellfare

Gigi DAgostino

(Intro: **G Dm F C**)

G **Dm**
Killingtime is just one way
F
Hangin on to yesterday
Thinking what tomorrow
C
Has planned for me

G **Dm**
Today i know how to live my life
F
And i m gonna do what i wish
C
Gonna make the world move along
With me

G
I wanna see the sun that shines
Dm
Above the mountains white with snow
F
Look at the trees, the way they grow
C
The rivers flowing by

G
I wanna look up to the sky
Dm
And let my head wirl in the blue
F
There is no need to follow rules
C
But only time to play

G
I wanna feel...
