

E F#m D
 Anyplace but those I know by heart
 A F#m
 Anywhere you go
 D
 I ll follow you down
 E F#m D
 I ll follow you down, but not that far

A F#m D (com riff no fundo)
 (E F#m D)
 I know we re headed somewhere
 I can see how far we ve come
 Still I can t remember anything
 Let s not do the wrong
 And then I ll swear it might be fun
 It s along way down
 When all the knots we ve tied
 Have come undone

REFRÃO

SOLO: (ñ tenho certeza!) 2X(A F#m D) + 2X(E F#m D) + D
 (se alguém descobrir exatamente qual a base do solo, avise-me ou corrija)

(E F#m D)
 How are you gonna ever find your place
 Running in an artificial pace
 Are they gonna find us
 Lying face down in the sand
 So what the hell
 We ve already been forever damned

2X REFRÃO

E F#m D
 I ll follow you down, but not that far (follow you down)
 E F#m D
 I ll follow you down, but not that far (follow you down)
 E F#m D
 I ll follow you down, but not that far (follow you down)

A F#m D até o fim com riff da intro. no fundo...
