# Heart Shaped Locket Gin Blossoms

This is a great and underrated song by the Gin Blossoms. I play this song with a capo because it is a little easier to add in fills. Enjoy!

Standard tuning (EADGBE)
Capo 2nd fret

Intro A (Palm muted)

#### Α

She s got all the moves

E

She s got nothing to prove

11- -

She s so cold so smooth

Ε

Her needle fits the groove

D F

She s everything she forgot to be at twenty-three

D A E

She s hot, she s cold, she s just so clinically, cynically

### D A E A

Who s the girl with a heart shaped locket?

D A E

Sole survivor of a post-teen scene

A E

Lights me up like a bottle-rocket (Chorus)

D

Cleopatra meets Sandra Dee

Е

That girl s gonna ruin me

### Α

A plaid pleated skirt

Е

And a Carpenters tee shirt

Α

Couture, demure

E

Not just another small-town flirt

### D A

She s everything she forgot to be at twenty-three

D A E

She s hot, she s cold, she s just so clinically, cynically

## (Chorus)

## (Chorus) 2X

Who s the girl with a heart shaped locket?

A

Who s the girl with a heart shaped locket?

A

Who s the girl with a heart shaped locket?

A

Who s the girl with a heart shaped locket?
