Lyrics:

I wanna take so far
 but they don t want to let us out
 But they do, they do, they do
 I don t wanna walk on that highwire
 They ain t gonna let us down
 But they do, they do, they do

What I could never believe in
 I was never really even
 And I forgot about the cost
 And then I got lost, I got lost, I got lost, I got lost

Didn t really wanna live it over
 Or even wanna live it down
 I do, I do, I do

SOLO

What I could never believe in
 I was never really even
 And I forgot about the cost
 And then I got lost, I got lost, I got lost, I got lost

Didn t really wanna live it over
 Or even wanna live it down
 I do, I do, I do
 I do, I do, I do
 I do, Oh, I do
