**A**  
**A** **G**  
Meet me out past the cottonwoods where we ran as kids  
**D** **A**  
Straight out past the cemetery where the river turns to ditch  
**A** **G**  
This car I m driving can t drive me fast enough  
**D** **A**  
Thirty miles of potholed roads got me shaking like a drunk  
**D** **A**  
Straight back far away a long ways from here  
**G D A**  
Just south of nowhere  
**A**  
**A** **G**  
Static on the radio gave out five miles back  
**D** **A**  
And I m singing some old Marshalls song just for laughs  
**A** **G**  
My head aches from cigarettes my eyes are edged with sleep  
**D** **A**  
Meet out past the muddy ditch beneath the palos verdes trees  
**D** **A**  
Straight back far away a long ways from here  
**G D A**  
Just south of nowhere

Guitar Solo:

**A - G - D - A x 4**

Monday morning takes me back to where I have to be  
Full of half assed-promises this shit just ain t for me  
Meet me out past the cottonwoods where we ran as kids  
Straight out past the cemetery where the river turns to ditch  
Straight back far away a long ways from here  
Just south of nowhere...
