Till I Here It From You Gin Blossoms

Standard tuning Capo on 2nd fret Intro/Riff

G Em |----3----2---0----|---3-----2---0----| ----3----3----| ----0----0-----0------|--2-----------| --3------D Bm |-----| |----3----3----3---0-| |--2----2----| |--4-----| |--2-----| |--2-----| (2 times) I didn t ask, you shouldn t have told me but first I d laugh right now Εm Bm I m sinking in it fast, whatever you sold me well baby, С I don t want to take advice from fools С I just figured everything is cool G/F#m Εm D Until I hear it from you (hear it from you) (insert riff here) It gets hard, the memory s faded who gets what they say

```
G
                Em
                                        Bm
it s likely they re just jealous and jaded
      D
well maybe
I don t want to take advice from fools
I just figured everything is cool
Until I hear it from you (hear it from you)
Until I hear it from you (hear it from you)
(riff)
D
                G
I can t let it get me up
or break up my train of thought
D
as far as I know nothing s wrong
             C
but still I hear it from you
(solo) over G Em Bm D
still thinking about not living without it
else I d look it in
still talking about not stepping around it
well maybe
I don t want to take advice from fools
I just figured everything is cool
Until I hear it from you (hear it from you)
Until I hear it from you (hear it from you)
Until I hear it from you (hear it from you)
                      G
                           Εm
                                  Bm
 til I hear it from you, oh no
                      G
                           Em
                                  Bm
                                         D
  til I hear it from you, oh no
                                         D
                      G
                           Εm
                                  Βm
  til I hear it from you
                          (won t take advice from fools, thinking
                                                 everything is cool)
                      G
                           Εm
                                  Bm
                                          D
  til I hear it from you (won t take advice from fools, thinking
                                                 everything is cool)
```

til I hear it from you...
