

Black Sheep
Gin Wigmore

Gin Wigmore
Black Sheep

I wrote this out as proper chords, but I actually prefer playing it with power chords.

It sounds better if you play the chords short and palm mute them a lot rather than

really strumming it out. Please rate, thanks!

Standard tuning

Intro

Em

Em **G**
I got lots of jealous lovers that all wish they had me back
Em **G**
Got a pistol for a mouth, my own mama gave me that
Em **G**
Making my own road out of gravel and some wine
Em **G**
And if I have to fall then it won't be in your line

[pause]

Everybody's doing it so why the hell should I
Everybody's doing it so why the hell should I

Em

I'm a bad woman to keep

C

Make me mad, I'm not here to please
