**Devil In Me**
**Gin Wigmore**

[Intro]

**Dm F Gm Dm**

[Verse #1]

```
                     Dm                                F
I got the devil s disease, I ve got the jealous in me
                 Gm                          Dm
So to the jail I plead, he put the devil in me
                         F                    Gm
When he said he would leave, after he stole my heart, and broke it apart
                            Dm                        F
You know that hell ends with me, I am your ticket to free
                   Gm                    A
Don t let it end like this, without my kiss
```

[Chorus]
```
       Bb          C
Oh, and you go, and walk out on me, baby
F            Dm              Bb              C
 And leave me for another lady, so I ll drink, I ll drink until you love me
F            Dm            Bb        C
 And wake up always thinking of me, you are, you are the devil in me
```

**Dm F Gm Dm**

[Verse #2]

```
                     Dm                          F
All I wanted was you, the fairytale you sold me
                      Gm                              Dm
A taste of what you had told me, you put the stagger in me
                       F                  Gm                          A
You wanna see if I bleed, I leave a dagger in you, now who sings those blues
```

[Chorus]
```
         Bb            C
Oh, and you, you go, and walk out on me, baby
F            Dm              Bb              C
 And leave me for another lady, so I ll drink, I ll drink until you love me
F            Dm            Bb          C
 And wake up always thinking of me, you left, you left me on a Monday
F            Dm            Bb        C
 So now I ll bury you on Sunday, you are, you are the devil in me
```

[Solo]

**Dm F Dm F, Dm Bb Dm A A**

[Chorus]

         **Bb**                  **C**
Oh, and you, you go, and walk out on me, baby
**F**            **Dm**               **Bb**           **C**
 And leave me for another lady, so I ll drink, I ll drink until you love me
**F**            **Dm**               **Bb**           **C**
 And wake up always thinking of me, you left, you left me on a Monday
**F**            **Dm**               **Bb**     **C**                      **Dm**
 So now I ll bury you on Sunday, you are, you are the devil in me

Awesome song!!
