

Happy Ever After
Gin Wigmore

Info:

The whole verse (both of them) and the pre-chorus are played with the bass note only, but I ll tab the whole chord if you want to play acoustic or something. :)

I think it s easier to play with capo on 1, so I ll tab the chords in relation to the the capo, you can play it without capo, just play the chords a 1\2 up (A=A#, F=F# and so on)

tab
it more accuratly in my free time, but this is meanwhile.
