

Mr Freakshow
Gin Wigmore

Hey, really simple song, just listen to it like 2 or 3 times to get the rhythm and you got it.

Intro:

C F

Verse:

C

Hey!

F C F
Thank you for the date, The tube lips made you

C
Mr. Freakshow, you think you got what it takes

F
While I m thinking, about making you wait

C F Ab A#
I should tell you I don t ever wanna ever, ever be a lady!

Chorus:

C F Am G
She says, she says don t stay long, I want you gone Before the morning comes

C F Am G
He says baby where did I go wrong? Call me, Call me like you like me some

C F Am G A# A#

B

She says, she says don t come back, I want you gone before the morning comes

C F
No, No, No, No, No, No Uh oh uh oh whoa uh oh

C F
Uh oh whoa oh no no no Uh oh whoa oh

Verse:

C

Sorry?

F C F
Were you looking for love? cause I don t think you have the touch

C F
Mr. get up off your knees, girls don t like a man begging to be

C F Ab A#
Tarzan you see me swingin from trees I don t ever wanna ever be a lady!

Chorus:

C F Am G
She says, she says don t stay long, I want you gone Before the morning comes

C F Am G

He says baby where did I go wrong? Call me, Call me like you like me some
C F Am G A# A#
B
 She says, she says don t come back, I want you gone before the morning comes
C F
 No, No, No, No, No, No Uh oh uh oh whoa uh oh
C F
 Uh oh whoa oh no no no Uh oh whoa oh

Bridge:

E A C
 I sit here alone, but I ll dig my toes in
E A G A B C D E F G
 Till I found the perfect one, and I m thinkin how to leave you Mr, Mr
 Freakshow!

Solo: (it s just a little solo so I didn t tab it)
 The chords are like the chorus:

C F Am G

Chorus:

C F Am G
 She says, she says don t stay long, I want you gone Before the morning comes
C F Am G
 He says baby where did I go wrong? Call me, Call me like you like me some
C F Am G A# A#
B
 She says, she says don t come back, I want you gone before the morning comes
C F
 No, No, No, No, No, No Uh oh uh oh whoa uh oh
C F A# A# B C
 Uh oh whoa oh no no no Uh oh whoa oh

*notes

The chords in the chorus should be played high, around the 10th frets and higher.

Note that the second part of the bridge is played only by the base note, you can play it in chords if you like just note that

Enjoy!
