

Poison

Gin Wigmore

I couldn't seem to find the chords for this song anywhere so I figured them out myself. This is for anyone else looking =)

Cm **G**
Touch me only when nobody knows, I'm not your only woman
Bb **Cm**
Turn me into your lonely secret ghost, Are you looking through me

Cm **G**
When you kill me with the poison of an evil you hold, You feel so good to swallow

Bb **Cm**
When you give me all the gold and diamonds you own, To keep me as a lover

C **Fm**
You lock me away
Ab **G**
So I can never see the light of day

Cm **Fm**
Your love is my poison
Ab
And I'm drinking it down

G
I'm drinking it down
Cm **G**
And your love is my poison

Ab
I'm drinking it down
G
And I'll drink it all down again

(Same chords for second verse and chorus)

Cm **G**
My body goes
Ab **G**
In and out of where it's told
