These Roses- Gin Wigmore

<http://www.ginwigmore.com/>

I couldn't find these chords anywhere else- strange, for such a simple song.
I should say, I tabbed these in twenty odd minutes on a poorly tuned guitar, and the
is on piano. However, they should be alright- I'm not 100% sure about the Bridge
but it
It's in 6/8, in C, and the seventh chords are quite understated...

Am: 002210
C: 032010
G4: 320010
Fmaj7: 003210
E7: 020100
D7add2: XX0210
F: 133211 (or X03211)
G: 355433 (or 320033)

Best to use F and G bar chords if you can, because they sound tacky simplified.
Enjoy-
my mistakes if you find them.
