

Under My Skin
Gin Wigmore

Really easy song (even though annoying to tab):

G-355433

Em-022000

A7-x02020

Am7-x02010

C-x32010

Bm-x24432

F7-131211

Em5-022

[Verse:]

G **Em** **A7** **Am7**
Sunday dreamers end up last, fixing holes in sunken past
G **Em** **A7** **Am7**
Please donâ€™t blame me for my lies, just to keep him by my side
G **Em** **A7** **Am7**
I donâ€™t mind if papa cares or even if my mama stares
Em **A7** **C**
Step right in look right through, I beg you get to think the way I do

[Chorus:]

G **Bm** **F7** **C**
I got you, I got you under my skin, I got you over my grin, I got you under my
skin
G **Bm** **F7** **C**
I got you, I got you under my kiss, I got you over my lips, I got you under my
skin

[Verse:]

G **Em** **A7** **Am7**
Picture this through cherry bloom, such a crime becoming two when
G **Em** **A7** **Am7**
Firecrackers shoot my mind, into such a spin I cry from
G **Em** **A7** **Am7**
All these secrets, we have shaded, you helped make them, I helped play it
Em **A7** **C**
Over and over in my mind, I beg you get to think the way I do

[Chorus:]

G **Bm** **F7**
C
And now I got you, I got you under my skin, I got you over my grin, I got you
under my skin
G **Bm** **F7** **C**
I got you, I got you under my kiss, I got you over my lips, I got you under my
skin
