You and I **C Em7 Am F G**

[Verse 2]  
(same as verse 1)

Then could I love you more  
So much stronger than before  
Why does it seem like a dream  
So much more so it seems  
I guess I found my inspiration  
With just one smile, you take my breath away  
So hold me close  
And say you ll stay with me now

[Chorus 2]  
(same as chorus 1)

The closer I get to touching you  
The closer I get to loving you  
Give it a time  
Just a little more time  
We ll be together  
Every little smile  
That special smile  
The twinkle in your eye  
In a little while  
Give it a time  
Just a little more time  
So we can get closer  
You and I
