Where do you go

When the life you ve planned

And the walls that stand

**Dsus4** **D**

All come tumbling down

When the light of your life

**Dsus4** **D D#dim**

Leaves you in the dark

When your sweetest dreams

That tomorrow you ll be here

**G**  
What breaks a heart  
**Dsus4** **D D#dim**  
And the ties that bind  
**Em7**  
Lost romance  
**A7**  
Or circumstance  
**Dsus4** **D D/C**  
Or simply life that s been unkind  
**G/B**  
Take my hand and bring us back  
**C6** **Cmaj7 C**  
From the point of no return  
**Bb/D**  
And resurrect the fire  
**D#6** **D7-9**  
That once burned

**G** **D/F#**  
Can you give me one last dance  
**C/E** **C**  
Once around the floor  
**Am7** **G/B**  
Search inside your heart of hearts  
**F/Eb** **Eb6** **Dsus4**  
Does love live there anymore  
**G** **D/F#**
