

Call The Shots
Girls Aloud

Bm **G#m**
Static tone on the phone I ll be breaking again
G
Must be something better, babe
Bm **G#m**
All the names that you called out in bed seem to fade
G
To sometime never planned

Em **Bm**
I won t cry for all the hunger in my heart, no
Em **G** **A**
I won t cry because I ve made it through this far

G **Bm** **D**
Just cause you re raising the bet and call the shots now on me, ooh
G **Bm** **D**
It really doesn t phase me how you spend your time, ooh-oooh
G **Bm** **D**
Just cause you re raising the bet and call the shots now on me, ooh
G **Bm** **D**
It really doesn t phase me how you spend your time, ooh-oooh

Bm **G#m**
Out of the fire that burns inside me
G
A phoenix is rising
Bm **G#m**
If you don t feel that you can love me
G
I won t shoot you down

Em **Bm**
And I won t cry for all the hunger in my heart, no
Em **G** **A**
No I won t cry because I ve stumbled through this far

G **Bm** **D**
Just cause you re raising the bet and call the shots now on me, ooh
G **Bm** **D**
It really doesn t phase me how you spend your time, ooh-oooh
G **Bm** **D**
Just cause you re raising the bet and call the shots now on me, ooh
G **Bm** **D**
It really doesn t phase me how you spend your time, ooh-oooh

G **Bm** **D**

I ve seen life burn bright, I ve seen it shimmer, seen it shimmer

G **Bm** **D**
They fade like starlight to a glimmer, to a glimmer

G **Bm** **D**
I ve seen life flow by like a river, like a river

G **Bm** **A**
So full of twilight, dreams that glitter, dreams that glitter

G **Bm** **D**
Just cause you re raising the bet and call the shots now on me, ooh

G **Bm** **D**
It really doesn t phase me how you spend your time, ooh-oooh

G **Bm** **D**
Just cause you re raising the bet and call the shots now on me, ooh

G **Bm** **D**
It really doesn t phase me how you spend your time, ooh-oooh
