

Dog Without A Bone
Girls Aloud

Dbm / Dbm7

A five inch bullet
A made up dream
Cuts right through it
You re watching me

Dbm/F#/Dbm/Dbm7

You ve left me in it
You ve broke a deal
The fact I did it
Made me real

F#/E/Dbm/F#/E/F#

Let me guide you home
Where we can be alone
Let me dry your eyes
I will stay with you tonight

Dbm/F#/E/F#

Oh! You re like a dog without a bone
Oh, hanging on my heels every night
Oh! It s like you got no-where to go
Oh, baby if its real coz this ain t right

Oh! You re like a dog without a bone
Oh, hanging on my heels for just one night
Tonight i m dancing on my own
Oh, baby coz it feels like

Dbm / Dbm7

A five inch bullet
Set to thrill
If I cant stop it
My sisters will

Dbm/F#/Dbm/Dbm7

I give him nothing
To make you beg
But the blood keeps rushing
To your head

F#/E/Dbm/F#/E/F#

Let me guide you home
Where we can be alone
Let me dry your eyes
I will stay with you tonight

Dbm/F#/E/F#

Oh! You re like a dog without a bone
Oh, hanging on my heels every night
Oh! It s like you got nowhere to go
Oh, baby if it s real coz this ain t right

You re like a dog without a bone
Oh, hanging on my heels for just one bite
Tonight i m dancing on my own
Oh, baby coz it feels like...
