

Every Now And Then
Girls Aloud

Am C G Dm
All this time, looking for a light
Am C G Am
All this time, I'm still trying
C G
I gave you all my love
Dm Am
I took it back again
C G
But the candle in my heart
Dm Am
It flickers now and then
C G
I knew it from the start
Dm Am
I knew it at the end
C G
We said it never work
Dm Am
But I still think about you every now and then
C G
And you're out of my heart
Dm Am
Swear I can't pretend
C G
But the heart tears apart
Dm Am
As I still think about you every now and then
C G
Every now and then,
Dm Am
Now, right then
C G Dm
Right now, right then, right now
Oh right now
