CAPO FIRST FRET
Love is the Key

E A G A E A G D

Oh, oh, oh, oh, oh etc

E **A**
Always hear you singing
G **A**
I can t stand that song
E **A**
You like my hair brunette
G **D**
But I like it blonde
E **A**
You lie in the sunshine
G **A**
But it makes me sweat
E **A**
You save all your money
G **D**
While, I get into debt

E **G**
Not the kinda guy to catch my eye
D **A**
Now we re picking out the tiles and curtains
E **G**
Never thought you d be the lucky guy
D **A**
Now it s the only thing I know for certain
E **G**
Used to go for guys who made me cry
D **A**
Never seemed to find the rhyme or reason
E **G**
If you love somebody don t ask why
D **A**
Cute but mystifies

[Chorus:]

E **A**
Oh when they say love s the key
G **A**

At the end of the road
E A
It don t matter to me
G D
Work at the man hanging on hold
E A
The answer is love
G A
And no reasons why
E
It knows where you ve been
A D
Oh cause you and me just seem to fit right

E A G A E A G D

Oh, oh, oh, oh, oh etc

E A
A mocha-choco-late
G A
You re more an Espresso shot
E A
Life and soul of the party
G D
It s safe to say you re not
E A
I lean towards fiction
G A
But you deal with fact
E A
Don t mind the friction
G D
Cause opposites attract

E G
Not the kinda guy to catch my eye
D A
Now we re picking out the tiles and curtains
E G
Never thought you d be the lucky guy
D A
Now it s the only thing I know for certain
E G
Used to go for guys who made me cry
D A
Never seemed to find the rhyme or reason
E G
If you love somebody don t ask why
D A
Cute but mystifies

[Chorus (x2)]

Tips when playing:- listen to the song to get the strumming pattern at the end of the
or chorus do a palm mute like in the song and inbetween the chords A and E do one open
strum it sounds funky =]
