CAPO FIRST FRET  
Love is the Key

**D G F G D G F C**

Oh, oh, oh, oh, oh etc

**D** **G**

Always hear you singing

**F** **G**

I can't stand that song

**D** **G**

You like my hair brunette

**F** **C**

But I like it blonde

**D** **G**

You lie in the sunshine

**F** **G**

But it makes me sweat

**D** **G**

You save all your money

**F** **C**

While, I get into debt

**D** **F**

Not the kinda guy to catch my eye

**C** **G**

Now we're picking out the tiles and curtains

**D** **F**

Never thought you'd be the lucky guy

**C** **G**

Now it's the only thing I know for certain

**D** **F**

Used to go for guys who made me cry

**C** **G**

Never seemed to find the rhyme or reason

**D** **F**

If you love somebody don't ask why

**C** **G**

Cute but mystifies

[Chorus:]

**D** **G**

Oh when they say love's the key

**F** **G**

At the end of the road  
D G  
It don t matter to me

F C  
It s safe to say you re not  
D G

But you deal with fact  
D G  
Don t mind the friction

[Chorus (x2)]

Tips when playing:- listen to the song to get the strumming pattern at the end of the  
or chorus do a palm mute like in the song and inbetween the chords A and E do  
one open  
strum it sounds funky =]
