

Discover Me Girls Can't Catch

A great, really sweet song by Girls Can't Catch that works great acoustically. This is my first time tabbing so feel free to improve and experiment with capos etc, but this very simple arrangement works really nicely.

Am

Jamie was a good boy

Em

He only wanted my attention

Am

He paid for dinners that I enjoyed

Em

But he got stuck in apprehension

F

Cause I was waiting for you

Am

I had my focus on you

F

And he was never enough

Am

D

I'm picky but I feel lucky with you

F

So I am ready to be found, found

Yeah I am ready baby

Am

Em

F

Discover, di-discover me

Am

I'm looking for adventure

Em

F

Yeah I am ready to be found, found

So if you're ready for me

Am

Em

Discover, di-discover me

F

Am

D

Make me established ground

Am

Cause I am ready to be found

Am

Kevin was a good guy

Em

He never asked me any questions

Am

I was unfaithful and I didn't lie

Em

Another boy another lesson

F

Cause I was waiting for you

Am

My heart and faith was in you

F

And though he tried to say no

Am

He couldn't compete

D

Walk over with me

F

So I am ready to be found, found

Yeah I am ready baby

Am

Em

F

Discover, di-discover me

Am

I'm looking for adventure

Em

F

Yeah I am ready to be found, found

So if you're ready for me

Am

Em

Discover, di-discover me

F

Am

D

Make me established ground

F

Cause I am ready to be found

Am

Em

Yeah I'm ready to be found

F

If you're ready for me

Am

Em (build up to a single strum, pause)

Then I am ready to be

F

Yeah ready to be found, found

Yeah I am ready baby

Am

Em

F

Discover, di-discover me

Am

I m looking for adventure

Em **F**
