INTRO : [C]
 [C]-[Am]-[F]-[G]

[C] [Am]
Just a look was all it took
 [F]

Suddenly I m on the hook,
 [G]/

it s magic

[C] [Am]
Follow you and follow me
 [F]

everybody else can see
 [G]/

it s madness

[F] [G]
If there s one thing I know
[Em] [Am]
it s that I m sticking with you,
 [Bb] [G]
nobody makes me feel better

[C] [Am]
Let the whole world pass me by
 [F]

take me to the countryside,
[G]/

I must confess,

[C] [Am]
If I manage to forget
 [F]

everything from as of yet,
 [G]/

then what a success

[F] [G]
I feel like starting new,
[Em] [Am]
that s why I m sticking with you,
 [Bb] [G]
nobody makes me feel better

[C] - [Am] - [F] - [G] X2

[F] [G]
You ve chased my fears away,
[Em] [Am]
that s why I m sticking with you,
[Bb] [G]
nobody makes me feel better

[C] [Am]
