

**Solitude
Girls**

Capo 2

Same pattern throughout the song. So it s pretty easy. The timing i put for the F#, G: C/B and Am are defiantly off, but play with the song and you ll get it. Also, hammer-on with the Am.

It happened just like that- **F#** **G G#**
I ve realized my place- **C#** **C#/B Bbm**
I m feeling kind of small **F#**
So I can t- **G-G#**

So I ll keep on moving right along **F#** **G G#**
Maybe I ll settle down with you **C#**
Someday **C#/B**
