

Solitude Girls

Capo 2

Same pattern throughout the song. So it s pretty easy. The timing i put for the F#, G: C/B and Am are defiantly off, but play with the song and you ll get it. Also, hammer-on with the Am.

It happened just like that- **G** **G# A**
I ve realized my place- **D** **D/B Bm**

Tear me all apart **D** **D/B Bm**
I m sleeping in my clothes next to the books **G** **G# A**
Take care of my heart **D**
My aching heart **D/B Bm**
But if I settle down **G** **G# A**
Though it won t be with the blues **D** **D/B Bm**
So I ll keep on moving right along **G** **G# A**
Maybe I ll settle down with you **D**
Someday **D/B**
Some you **Bm**
