Oh little girl they just don t know

F Dm

About the weight you carry in your soul

Вb

They just don t know about the fright

C

About the people and the things you like

F Dm

You know you ve got nothing to prove

7 Dm

The conversations borderline on rude

Bb

And by the time you ve had enough

C

How do you tell the one you love?

F

Bb C

He ll never know about the times that you cried in the movies

Bb

Never know about the times that you cried to the music

Bb C C(mute)

About your mother or your father or the way you got your broken heart

And just a look could be the start
