

**The Oh So Protective One  
Girls**

Song: The Oh So Protective One  
Artist: Girls  
Album: Broken Dreams Club

Oh little girl they just don t know  
About the weight you carry in your soul  
They just don t know about the fright  
About the people and the things you like

You know you ve got nothing to prove  
The conversations borderline on rude  
And by the time you ve had enough  
How do you tell the one you love?

He ll never know about the times that you cried in the movies  
Never know about the times that you cried to the music  
About your mother or your father or the way you got your broken heart  
And just a look could be the start

Oh no no no it s not your style  
Why should you have to feel like your own child?  
I wonder if he is impressed  
Should I have worn the other dress?

F Dm

You d never had a doubt about yourself

**F Dm**

Why should you take it then from someone else?

**Bb**

And if by now he doesn t see

**C**

Maybe it wasn t meant to be
