

The Shape I Found You In Girlyman

Alright, there are tabs for this around, but they re all for open G tuning, so here are the chords if you can t be bothered to re-tune your guitar. Gorgeous song, enjoy!

G Em C Cadd9
You were spoken for
G Em C Cadd9
I spent twenty lifetimes at your door
G D
But your heart was busy within
Em C Cadd9
Building bomb shelters under your skin
Cadd9 D Em
That s the shape I found you in
C D G
That s the shape I found you in

G Em C Cadd9
I was calling to you
G Em C Cadd9
It was one thing I knew how to do
G D
But my heart tried to cheat
Em C Cadd9
Building safety nets under my feet
Cadd9 D Em
So if I fell I would fall right in
C D G
That s the shape I found you in

G Em C Cadd9
You were delivered to me
G Em C Cadd9
We were closed as the stores on Christmas eve
G D
So I felt around in the dark
Em C Cadd9
Building rope ladders into your heart
G Em C
Climbing hand over hand to get in
Cadd9 D Em
That s the shape I found you in
C D G
That s the shape I found you in
