

Too Bad
Giulia Be

[Intro] D Bm F#m E

Might be lying next to her, lying to yourself
Deep down you know you wanna be with somebody else
But you missed your chance, baby, never gave a shot
Don't really hope you're happy cause you made me hurt a lot

I bet she can't kiss like me, tho
Bet she can't love like me, no
What I got she can never be, no
Ain't that too bad?

Bet she can't kiss like me, though
Bet she can't love like me, no
What I got she can never be, no
Ain't that too bad?

Bad, baby

Bad, baby

Close your eyes and
You see me

You see me

Ain't that all too

Bad, baby?
