Glass Animals

[Intro] Am Em D

Am
Your baby s falling, you know I m talking now
Em D
You know I m dancing, you know I m racing round
Am
You know you re so juiced, you said you kicked the booze
Em D Am Em D
You know I ll get boomed, you know that I m just a boy
Am Em D
Come back baby, don t you cry
Am Em D
Don t you drain those big blue eyes

I ve been crawling

Am Em D
Come back baby, don t you cry
Am Em D
Just you say the reason why

I keep calling you

(Am Em D)

Am
You say I m balling, I say I m begging why
Em D
You take my photo, I fake my breaking smile
Am
And I m fucking loco, I can t get through to you
Em D Am Em D
You told you knows you, spark up and I can go

Am Em D
Come back baby, don t you cry
Am Em D
Don t you drain those big blue eyes

I ve been crawling
Am Em D
Come back baby, don t you cry
Am Em D
Just you say the reason why
Am
I keep calling you
