

And all I ever want
Dm7 Em7
Is just a little love
Am7 Em7 Dm7 Em7
I said in purrs under the palms
Am7 Em7
And all I ever want
Dm7 Em7
Is breaking me apart
Am7 Em7 Dm7 Em7
I said to the thing that I once was

Am7 Em7
I m a man, I m a twisted fool
Dm7 Em7
My hands are twisted too
Am7 Em7 Dm7 Em7
Five fingers, two black hooves
Am7 Em7
I m a man, don t spin me a lie
Dm7 Em7
Got toes and I can smile
Am7 Em7 Dm7 Em7
I m crooked but upright

verse 3

Am7 Em7
To the left now, boy
Dm7 Em7
Underneath the moon
Am7 Em7
By the thick tan sand
Dm7
And the tall thin grass
Em7
One more thing for you

verse 4

Am7 Em7
See the distant flume
Dm7 Em7
In the sleepy dunes
Am7 Em7
Makes my nerves clench close
Dm7
And my bones go cold
Em7
When I see that room

Bridge

Am7 Em7
And all I ever want
Dm7 Em7
Is just a little love
Am7 Em7 Dm7 Em7
I said in purrs under the palms
Am7 Em7
And all I ever want
Dm7 Em7
Is breaking me apart
